Dear Josh Moran,

Thank you for your kind and generous donation of \$1,235.72 to Midwest Shiba Inu Rescue received May 8, 2017.

Since donations are our primary funding source, you can be assured that your donation will go to help our needy Shiba Inu dogs in foster care. We have no paid staff, no paid office and no paid fundraisers. We rely strictly on volunteers and donations.

Our funds are used to make sure all MSIR dogs are healthy and well adjusted before adoption. Specifically, every MSIR Shiba is spayed or neutered, vaccinated and micro-chipped before placement. If necessary, some MSIR Shibas even receive additional assistance, such as obedience training, treatment for acute medical conditions, dental work, temperament testing, etc.

As you can imagine, fostering and placement take lots of love, patience, commitment and unfortunately, money. However, thanks to people like you, more Shibas will find a new loving and forever home. We couldn't do it without you!

Once again, thank you for your wonderful donation! All the funds raised are used to help our foster dogs receive all the special attention they need and find the forever homes they deserve.

Midwest Shiba Inu Rescue is an all-volunteer, 501(c)3 non-profit corporation. The total amount of your donation is considered a tax-deductible contribution since the primary purpose of this activity is fund raising, and you do not receive any goods of nominal value.

Sincerely,

Joahna Osmena, President
Midwest Shiba Inu Rescue
